Your role

Using your highly developed relationship skills, you will help increase revenue through our broker channels. You will provide a strong point of difference to our customers putting our products ahead of competitors. Working closely with internal teams to ensure customers are at the forefront of everything we do, you will have the opportunity to work on a varied portfolio within an innovative business. You will also be involved in building our brand through trade events and actively participate in networking and presenting within the finance sector.

What you will do

- Develop & execute on quarterly & annual regional penetration plans in order to meet objectives
- Finding and following new sales leads
- Recruit and activate new brokers
- Managing key broker accounts
- Onboard, train & develop new brokers
- Represent GetCapital at various aggregator/industry and networking events; and
- Build trust & long-term relationship with our broker network.

About you

- 2 years+ experience working in a Sales/BDM role within Resi/Commercial Broker relationships
- Experience working with a broker network
- Exposure to Salesforce or other CRM preferred
- Ability to hit the ground running and work autonomously
- Understanding of credit is advantageous; and
- Proven ability to build long-term relationships with broker networks.

What it's like to work here
