

# Head of Infrastructure & Operations

## What you didn't know about GetCapital

We are one of LinkedIn's hottest Australian companies to work for and are kicking goals with how we run our business whilst winning many awards along the way including *AFR's* Fast 100, Deloitte's Technology Fast50, SmartCompany's Smart50 and Deloitte's Asia Pacific Technology Fast 500.

## Your role

Are you looking for a role where your expertise in Technical Infrastructure can make an impact? You will be responsible for the effective delivery of our third party and internally managed IT infrastructure. Combine your strategic and hands on experience to enhance our current processes working closely with all facets of the business including the senior leadership team.

Your service-orientated approach and your ability to lead by example and guide your team to overcome any challenges will help take your career and GetCapital to the next level. You will be responsible for planning and implementation of IT policies, procedures, and maintenance of our IT infrastructure.

You will have the opportunity to work within a diverse and phenomenal culture that thrives on its agile and transforming environment.

## What you will do

- Manage delivery of IT infrastructure
- Manage operational and service management processes
- Plan and implement IT policies
- Lead a team of highly skilled system administrators
- Work with the senior leadership team
- Provide oversight for strategic vendor and partner relationship management
- Lead the development of the service strategy and technical roadmap
- Ensures cost-effective delivery of IT services

## About you

- 10 + years plus solid technical infrastructure and management experience.
- Proven team leadership and management skills.
- Strong vendor & stakeholder management experience.
- Excellent project management.
- Strong experience in managing internal IT infrastructure & network interfaces.
- Practical experience in developing and implementing a high-performing ITSM.
- Practical experience in complex Azure cloud ecosystem with Kubernetes cluster, Docker.
- Experience with Salesforce platform management is a good bonus.

## What it's like to work here

We offer competitive remuneration and a company bonus, a fast-paced, energetic environment in our inviting, open-plan office space in North Sydney. We have our own outdoor deck, full kitchen and lovely breakout spaces. We're a short walk from North Sydney train station and can be reached by many bus routes. There are fantastic lunch options nearby and we also enjoy a coffee shop in our building. We also offer free breakfast groceries in our kitchen and regular fruit deliveries. Our staff say it's a great place to work with an engaged Leadership Team and a fantastic growth story. We hold regular events to get the team together and if you work with us, you get your birthday off!

If you like the sound of this, we would love to hear from you. Please send your resume to [jointheteam@getcapital.com.au](mailto:jointheteam@getcapital.com.au)
