

Salesforce Administrator

Make your mark

It's an exciting time to join GetCapital as we are expanding and seeking an experienced Salesforce Administrator to assist with the ongoing maintenance of our salesforce.com deployment. You will be integral of our exciting Digital Transformation program, building features of various complexity, executing day-to-day configuration, support, maintenance and improvement of our core CRM platform.

In this role, you will have the opportunity to work with a diverse and talented team that thrives on new challenges in a transformational environment. You will be hands-on, take ownership and contribute to improving the customer experience in a fast-paced, high-growth business.

How you will make a difference

- You will be the primary system administrator for our Sydney office for the Salesforce.com environment
- Manage all the administrative function including account maintenance, reports, dashboards, workflows and other routine tasks
- Complete regular internal system audits and prepare for upgrades
- Manage Salesforce.com data feeds and other integrations
- Work closely with our development team to establish streamlined processes to support administrative, development and change management initiatives
- Train all new users and enhance the Salesforce.com skill set across our organization.

Skills that set you apart

- 4-5 years working in a Salesforce Administrator role
- Ability to build/add custom objects, formula fields, workflows, triggers, custom views, reports, dashboards and other content of intermediate complexity in Classing and Lightning experience
- Experience with Sales Cloud, Service Cloud and Marketing Cloud
- Previous experience working in a SCRUM or agile environment preferred
- Superior communication skills to work with a variety of stakeholders
- Strong data management abilities
- Salesforce Certification desirable
