

Business Development Manager – Construction & Trade Supplies

Make your mark!

Are you a person with good construction and trade supply contacts who thrives on developing new business whilst building rapport with B2B customers? In this new role, you will use your solution-selling experience to roll out and grow our revolutionary new trade credit payment platform into the construction and trade sector.

In this role, you will have the opportunity to work with a diverse and talented team that thrives on new challenges in a transformational environment. You will be hands-on, take ownership and contribute to improving the customer experience in a fast-paced, high-growth business.

How you will make a difference

- Identifying key targets for the roll-out and growth of the Shift Payments platform into the construction and trade sector.
- Understanding the different business models of suppliers and distributors to best position the platform to deliver maximum value to each supplier and its customers.
- Working with marketing to produce collateral.
- Working closely with the product teams to enhance platform capabilities.
- Representing GetCapital at industry events.

Skills that set you apart

- A deep network of trade suppliers and distributors is essential.
- Prior industry experience in account management or sales.
- Demonstrated and proven sales results.
- No financial services experience necessary.
