

# Product Owner – Payments

## Make your mark

Are you an experienced Product Owner with a passion for CX/UX design? Do you have strong payments experience and are familiar with payment industry standards (BPAY, NPP, FX, DD etc)? Have you managed complex, customer-focused products with multiple flows and integrations?

If you have experience in a start-up or medium business environment and know what it means to deliver quality projects on time, this is an exciting opportunity. In this role, you will help develop our payments platform, unlocking new capabilities for SMEs. You should be proficient in Scrum Agile project management techniques and have sound business knowledge with previous experience in the SME lending space highly desired.

You will be proactive, possess a winning attitude and be someone who can play a leadership role within the team driving culture whilst motivating and engaging developers. You will lead an Agile Platform Squad consisting of Tech Lead, full stack developers, Salesforce developers and QA Lead. You will be part of a fast-moving, high-growth business and contribute to our digital transformation journey.

## How you will make a difference

- Work closely with business stakeholders to understand business drivers and define the shared vision.
- Responsible for end-to-end product delivery in Agile environment.
- Design, prototype, develop and test new product features.
- Define the product roadmap
- Prioritise and maintain the product backlog
- Strong stakeholder management

## Skills that set you apart

- 5+ years successful Product Owner experience
- Good understanding of incremental delivery of value
- A balanced strategic mindset as well as hands-on
- Experience working across multiple streams in a fast-paced, dynamic and collaborative environment
- Relationship-building skills across diverse teams
- Intimate familiarity with Agile/Lean digital product development principles
- Good understanding and ability to create a good customer feedback loop framework
- Passionate with data & understanding customer needs

## About GetCapital

GetCapital is an award-winning business lender and one of Australia's fastest-growing financial technology companies. Winner of the IDC 2020 Digital Disruptor and Omni Experience Innovator awards for Australia and New Zealand, we've also been a Deloitte Technology Fast 50 winner for the past four years and voted one of LinkedIn's hottest Australian companies to work for.

## Our culture

At GetCapital, we take pride in our diversity and culture of inclusion. With the customer always first in mind, we are passionate about solving problems, delivering value and making a real difference. Here, time is precious, there are no politics and no egos. It's one team, with shared successes and failures. If you're ready to challenge convention, we are ready for you.

## The perks

GetCapital offers competitive remuneration and the opportunity to make your mark in a fast-paced, energetic environment. Centrally located in North Sydney CBD, we're close to transport, restaurants, cafes and shops. You'll enjoy free breakfasts and healthy snacks, and a friendly social atmosphere. There are also plenty of staff-led social events, Leadership series, Lunch & Learn, online development and other initiatives for you to participate and grow. And best of all, on your birthday, you get the day off!

If you like the sound of this, we would love to hear from you. To apply please send your resume to [jointheteam@getcapital.com.au](mailto:jointheteam@getcapital.com.au).
